POSSIBLE TIMES FOR A COVERUP (UPPER) working backwards:

Upper Timber Creek Campground: Per Vernal

911 called	2:38pm
Area of concern, why did Isaac state Vernal and baby were not behind them?	1:00-2:36pm
arrived back at camp approx	1:00pm ish
-45 minute approx drive to store	
left store approx	12:30pm ish
arrived to the store approx	11:30am

-10 minutes approx for gas	11:15-11:25am
-45 minutes drive from camp to town/time needed to leave camp	10:30-10:40am
HUGE RED FLAG – Jessica states he was alone w/baby by his truck for about 20-30minutes.....did this happen right after breakfast time?? and all of a sudden needed to head out of camp to put him somewhere? Is that why Isaac says hes sleeping while all this happened?	
-20-30minutes working on the truck	10:20-10:30am
breakfast per vernal approx	10:00am
*Jessica texts Trina @	9:42am
woke up last (written stmt)	8:00am

Not enough time to get lost and why does Isaac say he say them leaving about noon (12:00pm)

Upper Timber Creek Campground: Per Jessica

Area of concern, why did Isaac state Vernal and baby were not behind them?	1:00-2:30pm

-45min-1hour of hanging out at store	11:55am
-10 minutes approx for gas	11:45
-45 minutes drive from camp to town/time needed to leave camp	11am
Jessica texts Trina @	9:42am

Times don't add up at all and cant piece together unless they left earlier and she didn't say 12

UPPER: Per Isaac

911 called	2:36pm
Area of concern, why did Isaac state Vernal and baby were not behind them?	1:00-2:36pm
parents return approx with baby -per Isaac	1:00-1:10pm
-45 minutes approx drive to the store	
parents left approx with baby -per Isaac	12:15-12:25pm
slept whole time but ate breakfast with everyone?	
Isaac woke up to pee then go back to bed	9:00am?
Well Isaac's times don't work either	

POSSIBLE TIMES FOR A COVERUP (LOWER) working backwards:

Lower Timber Creek Campground

911 called	2:38pm
set up camp, fish etc?	1:10-2:30pm
arrived back at camp	1:10pm ish
-45 minute drive to upper from store	
Left Store approx	12:30pm ish
Were they really at the store for that long?	
-45-1hr hanging at the store	11:30-11:45am
-10 for gas	11:20-11:35am
-2hours from Lower to upper	9:20-9:35am
Free time	daylight-9:35am

Would explain the 2diff stories versions of camping, like they were there 2diff nights:

*breakfast, truck, fishing, hooking and un-hooking of trailer, gas, setting up camp etc.

NOTE: THERE IS ONLY ONE OTHER OPTION TIME FOR A COVER-UP TO TAKE PLACE

* **All day Thursday the 9th**, if they left to go camping on Wednesday evening after Vernal picked up Jessica and baby from Jessica's Aunt Lynn and after packing up the camper earlier that day at the residence of Trina Clegg's home.

Suggestment:

-if at **upper** and accident occurred between 1:10-2:36pm, that gives approx 1.5hrs to work with. Baby is most likely outside of the 3mile radius of camp. Take 1.5hrs and divide that by 2 to get to an access point to dispose of baby and back to camp, if 1.5 miles = approx 10minutes, that would mean that the 45minutes they have to work with...more like 20 minutes each way in reality to give time to dig, would put the approx location at: 2.5miles, inside the 3mile radius of camp.

-if at **upper** and accident occurred between 10:30am-12:00pm, right after supposed breakfast and while dad claims to be working on truck, that gives both parents a reason to hurry and go to the store. It takes approx 40minutes 9.5 miles to the store each way from camp, 1.5hrs divided by 2= 45minutes, allowing burial location somewhere off the rd on the way to the store, more like 20 minutes off the rd to allow digging, puts them around the 3-4mile mark off the rd on the way to the store.

-if at **upper** and accident occurred between early hours, approx 6:00-10:30am and waited till light to bury the baby, they had a lot more hours to work with. 4.5hrs divided by 2=2.25 hrs drive away from camp and back to camp. More like 2hrs giving a moment for burial, gives approx wide range of space within a give 2hr range.

-if at **lower** and accident occurred between early hours, approx 6:00-9:30am, could still be there or moved. It takes approx 2hrs to get from lower camp to upper camp. If at lower, take 3.3 hrs and divide that by 2 =1.6 hours, more like 1hr giving burial time, gives approx location of: 1hr time frame from camp, if not in camp.

-if at **whatever camp**, something happened on Wednesday night? They had all day Thursday to do something and sit on a plan before calling 911 the following day.

DISCREPANCIES IN DEORR'S CASE

If parents were innocent, there wouldn't be any discrepancies!

Here is a small list of questions and discrepancies that many want answers to:

- * DID DAD GO TO THE RESERVOIR-YES/NO-claims both
- * WHAT WAS VERNAL DOING WITH THE BABY FOR A ½ HOUR? (Vernal states he played with baby after breakfast about 10am by truck)
- * JESS CHANGED HER STORY THAT VERNAL DIDN'T GO TO THE CREEK WITH HER AND ISAAC (instead she says Vernal was alone with baby at truck for about 20min)
- * ISAAC FACTORY RESET PHONE 3xs
- * MOM WAS PUTTING THINGS INTO THE TRUCK RIGHT AFTER 911 CALL (how, while dad is 1.5 miles away)
- * HOW WAS JESS GETTING OUT OF TRUCK AFTER 911 CALL WHEN VERNAL WAS AWAY?
- * ACTIONS OF PARENTS DURING WKND SEARCH/DRINKING? yes
- * GRANDPA ADMITS TO KLEIN (on video) THAT HE TRIED TO TAKE A NAP WHEN PARENTS LEFT (Sounds like he meant when they left to the store, but changes it to the creek)
- * ISAAC IN INTERVIEW SAYS HE WAS NOT AWARE OF GRANDPA BEING ON OXYGEN-ODD

- * GRANDPA STATES ACCIDENT/FUNERAL/WHATS DONE IS DONE?
- * GRANDPA SAYS TO KLEIN THAT ALL 4 OF THEM PROB HAVE DIFF STORIES (on video)

- * ISAAC STATES HE HELPED GRANDPA LOOK IN CAMPER (not MIA)
- * NUMBER OF DIAPERS FOUND (2 and 1 described as the diaper in tree and 1 morning one) (he wore this morning one since before 8am as Vernal woke at 8am and last till he went missing?)
- * ISAAC'S REAL RELATIONSHIP TO FAMILY/FRIENDS (how did Jess not heard of him before? She was Grandpas caregiver almost 1year)
- * VERNAL WAS LOW ON GAS WHEN ARRIVED AT CAMP PER ISAAC
- * THEY STOPPED AT 2 GAS STATIONS BEFORE ARRIVING IN LEADORE, WHY NOT WORRY ABOUT THE FUEL GAGE THEN?
- * WHEN DID BREAKFAST HAPPEN IF EVERYONE WAS SLEEPING WHEN ISAAC AWOKE TO PEE, WENT BACK TO BED, GETS UP ABOUT 12PM AND EVERYONE IS LEAVING? PER ISAAC, not 10 or 11am
- * ISAAC ACTED SURPRISED ABOUT GRANDPA BEING ON OXYGEN, WAS HE NOT ON IT AT CAMP? ISAAC'S VERY 1st INTERVIEW 1of1 @3:30
- * ISAAC STATES ONCE AT CAMP, HE SPENT A CPL DAYS WITH EVERYONE, ISAAC'S VERY 1st INTERVIEW 1of1 @5:45

- * WHERE DID THE LUGNUT STORY REALLY TAKE PLACE? (camp or home..both described.)

- * GRANDPA SAYS LAST TIME HE SAW BABY, HE WAS HEADING TOWARDS THE BANK BY A TREE PLAYING WITH HIS BOOTS, AND ANOTHER STORY THAT HE THOUGHT HE WENT TO THE PARENTS (which is it?)
- * JESS STATES THEY STAYED AT THE STORE 45-1HR
- * VERNAL SAYS ON RECORDING THAT HE SPOKE TO A REDHEADED MOTHER FUCKER FOR ABOUT 45MIN AT THE STORE. VERNAL IN WRITTEN STATEMENT SAYS HE TALKED TO A REDHEADED GUY AT THE GAS PUMP AND DESCRIBED HIM TO THE TEE (odd)
- * VERNAL ALSO SAYS IT TOOK FOREVER TO FIND GAS, (got lost?)
- * VERNAL STATES HE SAW A 2004-5 DODGE W/HORSE TRAILER
- * VERNAL STATES GRANDPA AND ISAAC HAD A GROCERY BAG OF 4-5INCH FISH FROM THE CREEK ABOUT 100YARDS UPSTREAM
- * GRANDPA TOLD PARENTS THERE WERE OTHER PEOPLE AT THE RESERVOIR THURS (in Jess's written statement)
- * GRANDPA APPEARS TO HAVE ASKED VERNAL TO BE BACK BY 1PM and 11am, AND JESS SAYS
- * GRANDPA ASKED HER TO BE BACK BY 1PM...(which was it 11AM or 1PM?)
- * Breakfast, who cooked? Stated many did
- * Where did they sleep Wed. night after Aunt Lynne's?
- * Blanket left in truck or Baby's chair? Stated both
- * Searched for 20 min or 45-1hr? Stated both
- * Why all the burner phones and chargers?
- * had time to get lost for 1hr, talk to a red head MF for 45min, get gas + drive from and to camp? Says vernal. There's not enough time to do all this in the timeline
- * When did Vernal have time to fix turbo?
- * Did Vernal fish or not? says both
- * What is on Vernal's 911 call?
- * Dog or no dog was at camp?
- * How many times did Vernal lose a lugnut?
- * Grandpa drink whiskey or not? Isaac almost slips he did.
- * What was Isaac doing in MIA and how long was he actually MIA? Seems as if he was near most the time with fishing pole and tackle box in hand and again right after the 911 call
- * Fish or no fish in the creek?
- * What time did Jess and mom help with camper if mom was at work all day till 5:30-5:45pm?
- * Dinner at Mitchell's and Aunt Lynne's Wed. night?
- * Why did Vernal go down the rd 2x's? later stated by Jess

- * Called and talked to dad or not after 911 call? stated both
- * How many times did they really go to Isaac's to go to camp?
- * How many dirty diapers were found total, only one found?
- * What day did they really arrive? some posts say diff days
- * Did parents really buy a sex toy within the 1st week? And Jess states on accident when leaving stage stop that was closed thurs that they were headed back to camp, but changed it to up to camp
- * Has all Vernal's vehicles been searched? He has more then 1 Dodge Cummins and has a corvette.
- * Did chance hit on any items left at parents home at the time?
- * Why did Vernal in 1st interview slip Snake River so much?
- * Did Vernal join Bob & Isaac Thurs night going in store? says yes and no.
- * Jess says Vernal got out of suburban when Jess changed Deorr's morning diaper, but Vernal says he woke up last and all were by fire but him

- * Why isn't the tailpipe story mentioned in the written statements?
- * Who bucked Deorr into car seat at the store? Says both
- * Each parent claims Deorr wanted to follow them during breakfast and getting too close to the fire
- * Jess says Grandpa stayed home while she went shopping at Albertson's. She also told someone he went to the store with her. (I wonder if Albertson's has footage still or ever did, as well as the other stores they attended in the 3 days leading to 911 call
- * Jess says Vernal was IN the creek with her (written stmt) but tells Klein that Vernal was never with her at the creek
- * If Grandpa admits to going into camper for a nap, how did Jess see her Grandpa while fishing?
- * Why no mention going to Isaac's house 5x's in written statement and said later in the case?
- * Why all the gas station stops from home to Leadore but got no gas (I thought Vernal was worried about his gas gauge) so why 2x's the diesel while camping and only 45min away from gas vs the 2.3hrs he went without?

Red Flag! (baby missing bout 1hr-per 911?) = 1:40ish? Right?

* Jessica tells Klein missing approx 28minutes- Now equals baby missing approx 2:10pn, not 1hr?

* Vernal states they search about 45 minutes -per recording of the day @17:15
